

VERTICAL PRAISE

RECOMMENDATION

Dear Church,

In a world that is full of "empty," purposeless, often harmful entertainment, Vertical Praise is a breath of fresh air. Eddie, Tony, and Holly are dedicated to using the vocal gifts God has given them to glorify His name. So, if you're looking for entertainment only, this is not the group for you. If you want entertainment with the Gospel message, I recommend that you book Vertical Praise today.

I have known these folks for a long time and am familiar with their personal testimonies. You won't find a more genuine group of artists anywhere. They love the Lord Jesus Christ, and it is because of His eternal gift of salvation that they sing. Vertical Praise is not interested in fame or fortune, but in proclaiming the Good News of Jesus Christ for all who will hear. Many people have come to know Christ through the ministry God has given Eddie, Tony, and Holly.

Vertical Praise sings a wide variety of music, so there will be something for everyone to enjoy. Interspersed in their music, you will find powerful testimonies and some humor. Their concerts will have you tapping your toes, clapping your hands, laughing, and crying. In the end, you will say that you have heard the Gospel message loud and clear.

If you have not booked them yet, don't delay. This group will impact your life and the life of your church. We love them here at Northside Baptist Church. Please do not hesitate to contact me if you want more information. Thanks for considering Vertical Praise, and God bless you.

In Christ,
